Ref: USEUCOM letter, ECJC-J, 30 Aug 61.

1. (S) Paragraph 9B of ref letter recommended that one Armored Cavalry Regiment be added to the proposed USCINCEUR augmentation force and that it be included in the movement of the first two divisions.

2. (S) Subsequently it has been determined that this Armored Cavalry Regiment should include a military intelligence detachment and that the regiment should be sent now rather than accompany the increment of the first two divisions.

3. (S) It is requested that one Armored Cavalry Regiment, with a military intelligence detachment be deployed to USCINCEUR as soon as practicable and that the regiment be sent regardless of what the decision may be to augment USAR-EUR with round out or other divisional forces.
